

Archbishop Runcie Church of England First School

Our school rules help us to learn and grow together as Jesus would want us to.

- We take care of and respect each other's property and the environment.
- We are kind and caring to everyone, listening to each other.
- We are always polite, saying please and thank you.
- We move around the school safely and quietly.
- We always try our best.

Galatians 5 v 22-23 But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law.
