

## Activities to try at Home

- Paint a symmetrical butterfly.

- Make a paper chain caterpillar.

- Use playdough to make caterpillars and butterflies.

- Make a handprint caterpillar.

- Enjoy some of the fruit the hungry caterpillar ate.
- Plant a bean or a seed and watch it grow.
- Go on a minibeast hunt in your garden and record which insects you find.
- Make a reading den and settle down all cosy with your favourite story.
- Experiment mixing some colours together. Which new colours can you make?
- Play follow the leader, taking turns to move in different ways, hopping, jumping, skipping, galloping, rolling etc.
- Move around you home like a wriggly caterpillar, spin your body into a chrysalis and float around like a graceful butterfly,
