

History

Lessons 1 - 4

Discussion and learning:

Firstly, discuss what children can remember about Grace Darling (if completed timeline activity).

Use the PowerPoint for the next 4 weeks of lessons – each lesson is labelled, and all of the activity information is stated.

Use the information on the PowerPoint as well as using the links attached on slides. These will give links to more information about:

- The Grace Darling story
- The Grace Darling museum in Bamburgh (this would be good to visit when possible!)
- Grace Darling memorabilia
- The RNLI – what they do and where they are located near us.

Activities:

Lesson 1-2: Plan and write a newspaper report about the Forfarshire rescue (templates available).

Lesson 3: Discuss and comment on the painting of the rescue (template available).

Lesson 4: Design a water safety poster including key information about the RNLI (template available).
