### **Who We Are**

**Music Partnership North (MPN)** is the Music Education Hub for Newcastle and Northumberland.

Music Partnership North is committed to enriching the lives of all children and young people through engagement and participation in quality music activities; enabling progression to excellence through a variety of musical pathways."

Music Partnership North Newcastle ( Newcastle Music Service) provides instrumental teaching and music support activities in Newcastle schools. Our expert teachers, musicians and performers work in every phase of education from early years to sixth form.

Through our work with numerous partners, local organisations and educational establishments, we use music to support and develop individuals to help them reach their full potential.
