Noi lived with his dad and six cats by the sea. Every day, Noi's dad left early for a long day's work on his fishing boat. He wouldn't be home again till dark.

One night, a great storm had raged around their house. In the morning, Noi went down to the beach to see what had been left behind.

As he walked along the shore, he spotted something in the distance.

As he got closer, Noi could not believe his eyes.

It was a little whale washed up on the sand.
