Phase 5a

Did your cake  
rise like mine?

Not  
quite.

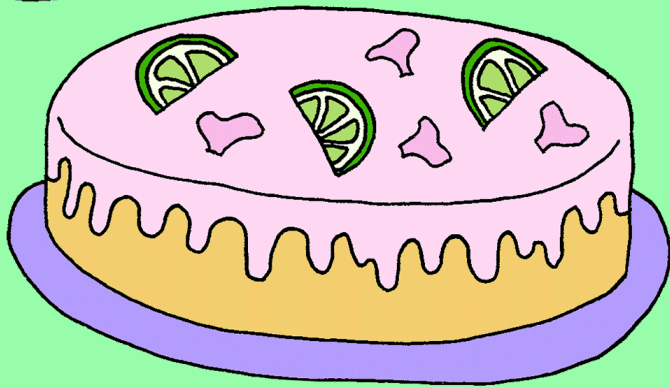

I think my cooking flame  
is a bit too strong.

The smoke has  
made us all  
choke.

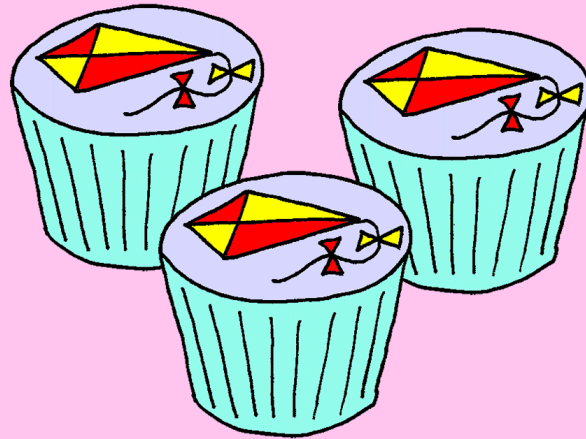

I chose to  
bake a  
cube cake.

I made a  
cone cake.

This is my lime cake with  
a rose petal glaze.

These are my kite  
cupcakes. Take a bite  
if you like.

I hope they will pick my cake.

The prize goes to this  
fine snake cake that  
was made by Pete.

That is a  
cute snake.
