Can you write the words on a whiteboard or piece of paper?

There **was** a Medieval day event **on the** village green so **the** family decided **to go**. People would **be** dressed **up in** clothes from **the** olden days.

Kit and Sam looked at all the stalls and the animals. Suddenly, Sam spotted a knight on a horse. “Look at her!” she cried, running over.

The knight got down from her horse. “Would you like to be a knight too?” she asked Sam. “Here, hold my shield.” It felt heavy as Sam put it on her arm.
