PTFA NEWS

PTFA Film Night yesterday was very well attended and enjoyed by all (staff and parents included!). A reminder that the PTFA are holding a cake stall on Friday 26th April. Any donations would be gratefully received on the Friday morning.

In addition, the PTFA have given out sponsorship forms today for the sponsored walk taking part at Druridge bay. Please be sure to ask all visiting family over the holidays if you are able to join us on the day. The sponsorship form will be sent out from the PTFA

PE KITS

separately.

PE kits have been sent today/yesterday home for washing. Please use the opportunity to make sure their kit, in particular footwear, still fits well and is still clearly named.

LOST PROPERTY

A purple digital watch was found in school last week. Please contact Mrs McCloud if it belongs to you!

FOREST SCHOOL

Forest School was, as always, a huge hit with the children and staff (despite the rain!). The highlight was pizza making (and eating!) and making Easter crowns. Thank you for making this experience possible with your financial contributions.

STAFFING

Congratulations to Mrs Chandler who has now completed her NQT year! It has been fantastic to see our NQTs blossom over the time they have been with us!

This week, we made an appointment for a Teaching Assistant, to work in Reception class, starting after Easter. Unfortunately, her family circumstances have drastically changed overnight and she is now unable to start therefore we will recruit after Easter.

SPONSOR A RESOURCE

After the huge success of "Sponsor a Tree" the Parent Council have suggested parents and families being able to sponsor other items in school. Class Teachers will send out a "wish list" of resources/books etc that families can donate or "sponsor" in their class newsletters, after Easter.

Y4 BIKEABILITY

On 24th April Year 4 children are invited to bring their bike to school

to take part in a

"Bikeability" session. Consent forms have been sent home in book bags.

This training is a National Training standard which giving trainees a real cycling experience developing principles for better and safer cycling. This training is conducted in the school grounds. All children must wear a cycle helmet and their bike must be road worthy and have a working brake. If your child cannot wear a helmet (eg due to religious headwear or cochlear implant), please speak to the Road Safety Instructor to discuss further prior to the training.

The Instructors are trained Bikeability Instructors and have DBS certificates. The Instructors will assess the pupils' ability throughout the training. The training will cover aspects such as control, observations, signalling, passing and turning. More information regarding Bikeability can be found at bikeability.org.uk

For your child to take part in Bikeability, please complete this Consent Form and return it to the School.

On Thursday 25th April, Year 2 will be visiting the Grace Darling Museum in Bamburgh. They will leave shortly after registration and return by hometime. ## A PLEA FROM MRS CHANDLER

A reminder that Nursery (or other) children are not allowed to bring sweets to school please. Chewing gum is also not allowed. We would be grateful if they could also leave toys and other personal belongings at home. Toys often end up getting lost, broken or played with by other children, which can be upsetting when you are three!

# **WATER BOTTLES**

A reminder that children are only allowed to bring water in their water bottles please. Staff will send bottles home each Friday for washing. Please ensure bottles are returned to school each Monday and are clearly named. Bottles can be filled at school, rather than carrying a full bottle to school.

# **YEARS 3 & 4 RIVER CRUISE**

Years 3 and 4 are going on a river cruise, "from quay to sea" on Friday 26th April. We will be setting sail at 10am. The three hour cruise is a fantastic way to see the changing face of the River Tyne from the best vantage point in town.

The cruise will take us under the magical Gateshead Millennium Bridge, which opens especially for the cruise to enjoy the panorama of the Tyne Gorge before returning downriver as far as the river mouth.

We will see the legendary shipyards of Tyneside, the international Ferry Terminals, the Port of Tyne, the Fish Quay and the glorious vistas of the river mouth, including Tynemouth Castle and Priory, the memorial to Admiral Lord Collingwood and the beautiful sandy beaches of South Shields. The cruise turns at the piers, where seals and dolphins are regularly seen and returns to Newcastle Quayside. All parent/volunteer helpers will need to pay for the boat trip, as well as for their child(ren).

\*\*\*\*\*\*\*\*\*\*

This can be a very chilly visit so please make sure children are wrapped up warm!

☆

We have been kindly asked by several parents if it would be possible for them to pay for/contribute to another child's visit/events payments as a charitable gift. In future, we will able "donations" setting on ParentMail payments for visits, visitors and events which will allow parents who would like a donation to do so.

# ILLNESS

It is recommended that any child with diarrhoea and/or vomiting symptoms must stay away from school until they have been free of symptoms for **48 hours** and feel well. We are aware parents want their child(ren) to return to school promptly after illness but please make sure your child has been free of symptoms for 48 hours before their return to school (the '**48 hour rule**'). This will help attending children to remain fit and well and therefore maintain their high attendance!

#### **PARENT QUESTIONNAIRE**

Thank you to all the parents who have already completed and returned the Parent Questionnaire online. It is great to receive your feedback to help us continue to understand the strengths of our school and areas for further improvement. The questionnaire response window closes on Sunday 7th April, after which I will share results.

#### PARENT COUNCIL

We now have a Parent Council board on the yard so you can keep up to date. If you would be interested in establishing a pre-ARFS playgroup please contact them so we can gauge interest.

#### **AUTISM AWARENESS WEEK**

Children have taken part in a range of PSHE activities this week linked to Autism in order to raise awareness and understanding of children with additional needs. They have shown themselves to be a caring, welcoming and inclusive group of children of whom we are proud! Thank you to Mrs Kohannejad for the session she led with Years 3 and 4.

\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$

# **SPELLING**

After Easter, children in Years 1-4 will complete a spelling quiz to assess their spelling of the words that are sent home, each week. This is a trial and will be reviewed by staff at May half term. We would welcome your feedback too! Spelling quizes will take place on a **Thursday** so children have had a full week to learn their spellings.

# **AFTER SCHOOL CLUBS – SUMMER 1**

To book places in after school clubs please contact providers directly. All contact details are on our school website. Please note the new Multi Sports After School Club for Years 1 & 2.

CHILDREN'S CANCER RUN, SUNDAY 19th MAY 2019

Yesterday, the children had a special assembly where they heard about the great work of the charity and how they can take part in the run. Thank you to Simon Scott-Harden and Ian Pickett for leading this. Children were enthused about taking part in the run! Children received pencils, stickers and a leaflet about how to register.

\$

~~~~~~~~~~

To register:

i) Logon to www.childrenscancerrun.co.uk

ii) Register for the event.

iii) Look for the section "Are you running for a school or running independently?" and make sure you select Archbishop Runcie C of E First School.

YOU MUST SELECT THE SCHOOL IF YOU WANT TO RUN AT THE SCHOOL'S ALLOCATED TIME AND TO RECEIVE CHILDREN'S T-SHIRTS PRIOR TO THE EVENT.

Siblings, friends and relatives can all be entered under Archbishop Runcie C of E First School. This means they will be able to run at the same time and will receive their t-shirts in advance.

SCHOOL MEALS MONEY

The lunch register on ParentMail is up to date and showing accurate balances as at the end of this term. Please kindly pay any monies outstanding before the start of Summer Term and make payment for the term ahead. Taking into account the Bank Holidays and KS2 visit the amount payable for Years 3&4 for the half term is £46 (£2.00 per meal). Nursery parents will need to calculate their amounts payable according to their child's attendance pattern (£1.90 per meal). If you have any queries about your ParentMail payments for school meals, please e-mail Mrs McCloud (admin@archbishop.newcastle.sch.uk) and she will address this early next term.

HEADTEACHER MESSAGE

This term has flown by... The staff, governors and friends of our school have worked tirelessly to provide the very best education for our children. We are delighted with the standard of work across school. Well done everyone! After Easter we will be continuing our drive to further improve standards, of spelling and handwriting in particular. Please support us in this by reading and spelling "common exception words" (sent home by class

teachers), appropriate to your child's age. Common exception words are words that cannot be spelled using phonic knowledge; children therefore need to learn these spelling by heart.

Thank you everyone for your ongoing support this term- we really do appreciate it. Thank you also for all our Easter treats and good wishes- you are all very kind! The staff and I wish you all a peaceful, restful Easter break.

As always, please do not hesitate to contact me if you have any questions or queries.

With my very best wishes,

Mrs KE Massey

# "Love to learn, learn to love"

Colossians 3:23-24

# **MESSAGE FROM THE CHAIR OF GOVERNORS**

As a school, we value the positive relationships forged with our parents and carers. We encourage close links with parents, carers and the wider community and believe that pupils can benefit when the relationship between home and school is a positive one. We also strive to make our school a place where, as adults, we model the behaviour we teach and expect from our pupils. In general, we place a high importance on good manners, positive communication and mutual respect.

On occasions, the behaviour of a small minority of parents and carers has fallen short of what we expect. This can manifest itself in aggression or abuse towards members of the school community. This can be physical, in written communication (including social media), on the telephone or in face-to-face incidents.

All members of the school community have the right to work, or be in school, without fear of aggression or abusive or insulting behaviour, conduct or language from parents and carers. The Governing Body has a responsibility to protect staff and pupils from such behaviour.

I have set out below what our School expects of its parents, carers and other visitors when they visit the school.

# At Archbishop Runcie CE First School the expectations for parents, carers and other visitors are:

- Parents coming into the building must report, on arrival, to the school office via the main entrance.
- Parents accessing the site must not interfere with the work of the school or disrupt the peaceful environment of the school.
- If a parent/carer disrupts the work of the school, or causes a disturbance in any way, the Governors have delegated to the Headteacher the power to order his/her removal from the school premises. They will not be able to return to the school premises until such a time as they receive confirmation from the Headteacher that they my re-enter the school grounds.

Kind regards,

Sarah Hawkins

Chair of Governors

## STEM CHALLENGE: Make a balloon rocket

#### You will need

- · 1 balloon (round ones will work, but the longer "airship" balloons work best)
- · 1 long piece of string
- · 1 plastic straw
- · tape

 $\stackrel{\wedge}{\Rightarrow}$

☆☆

☆

☆

☆

**☆☆☆☆☆** 

☆

## What to do

- · Tie one end of the string to a chair, door knob, or other support.
- · Put the other end of the string through the straw.
- · Pull the string tight and tie it to another support in the room.
- · Blow up the balloon (but don't tie it.) Pinch the end of the balloon and tape the balloon to the straw as shown above. You're ready for launch.

\*\*\*\*\*\*\*\*\*

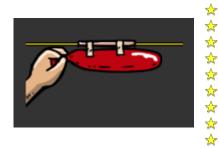

· Let go and watch the rocket fly!

# How it works and questions to ask your child

As the air rushes out of the balloon, it creates a forward motion called THRUST. Thrust is a pushing force created by energy. In the balloon experiment, our thrust comes from the energy of the balloon forcing the air out. Different sizes and shapes of balloon will create more or less thrust.

- 1. Does the shape of the balloon affect how far (or fast) the rocket travels?
- 2. Does the length of the straw affect how far (or fast) the rocket travels?
- 3. Does the type of string affect how far (or fast) the rocket travels? (try fishing line, nylon string, cotton string, etc.)
- 4. Does the angle of the string affect how far (or fast) the rocket travels?
