

# A kind fish?

Phase 5b

big fin

gills

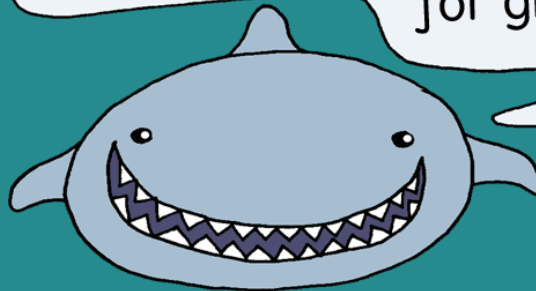

I am a  
kind fish.

sharp  
teeth

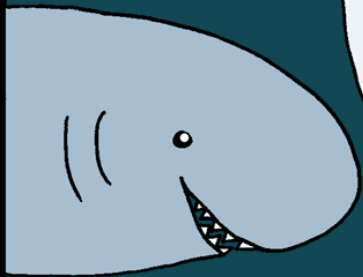

I snack on kelp muffins and drink  
milk to quench my thirst.

I just use my sharp teeth  
for grinning.

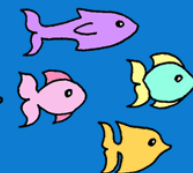

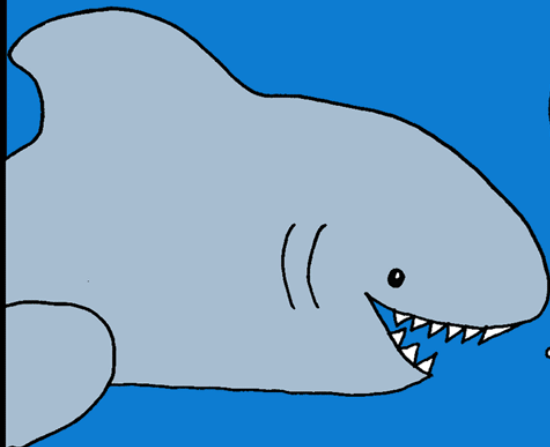

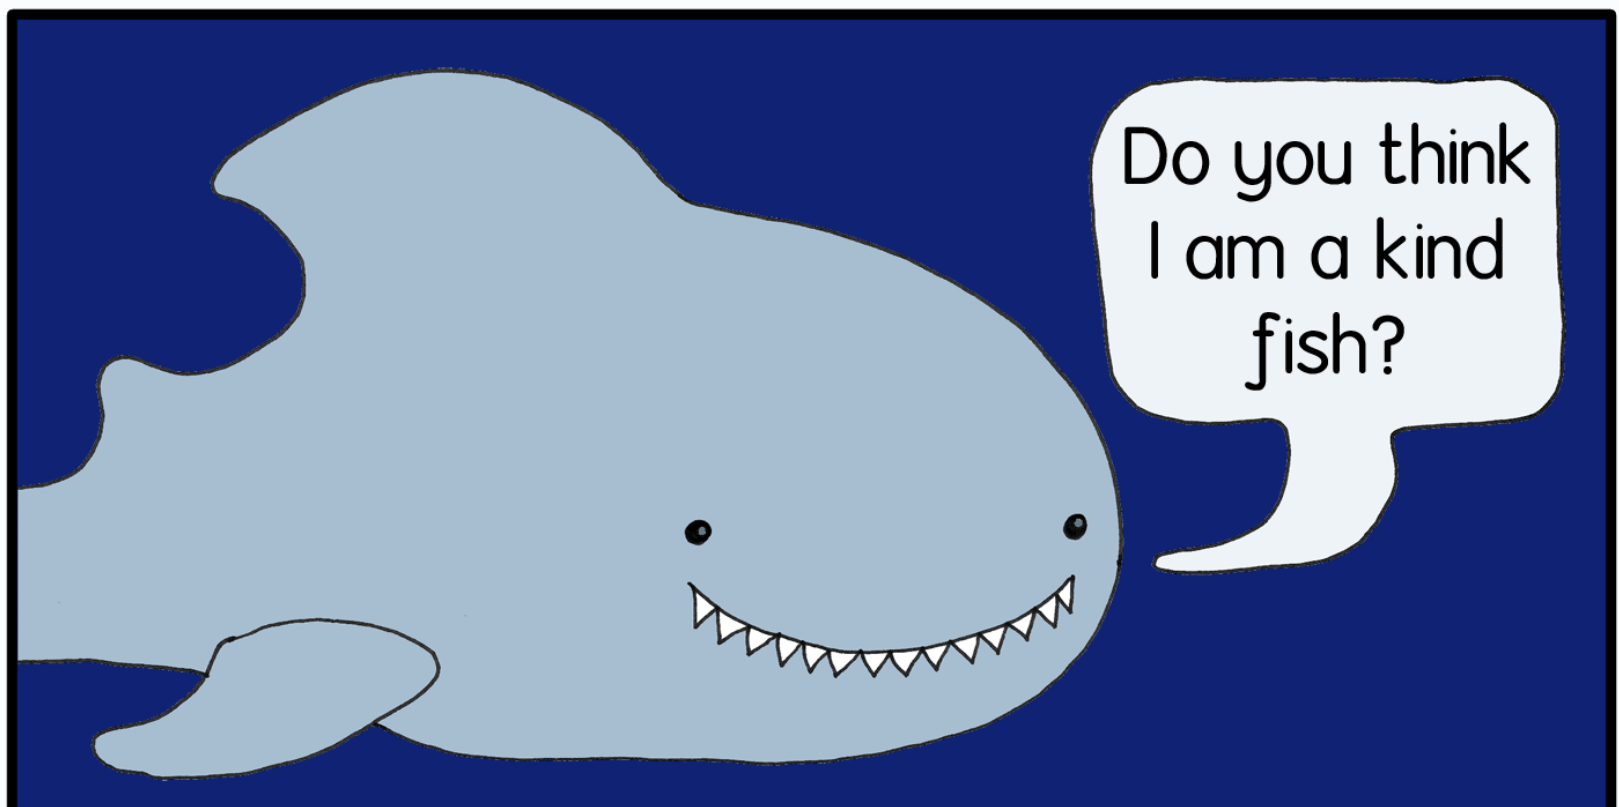

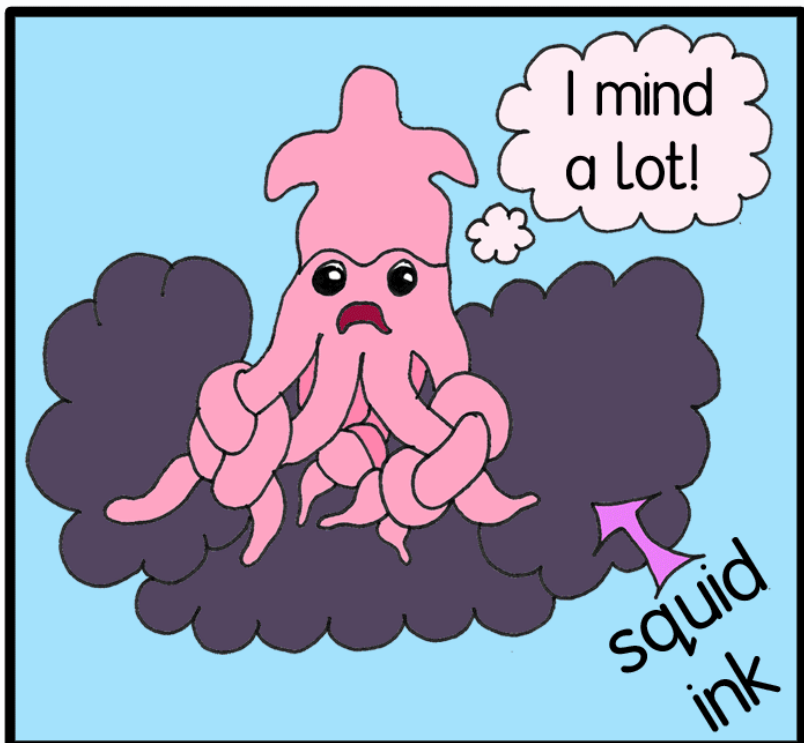

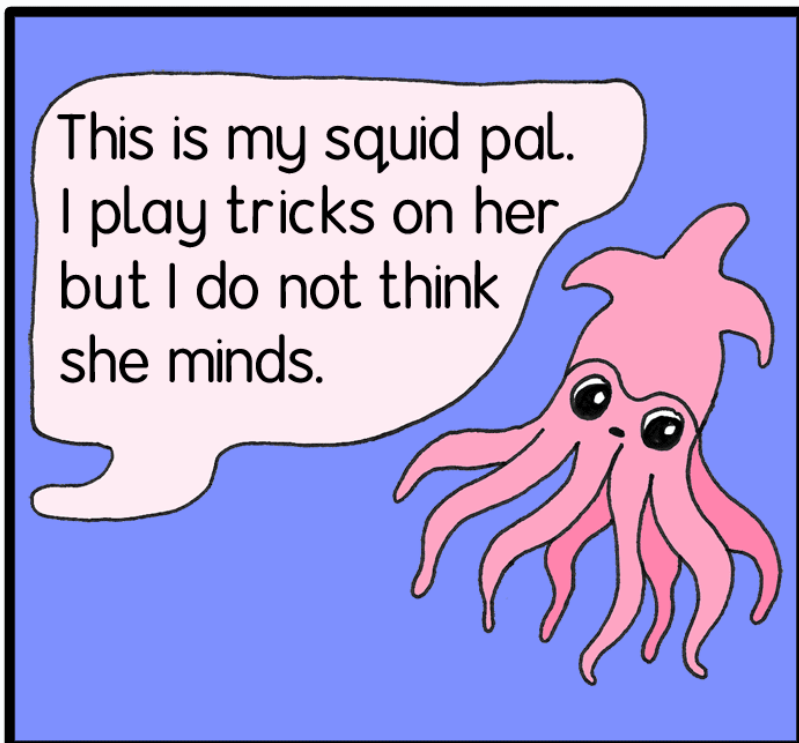

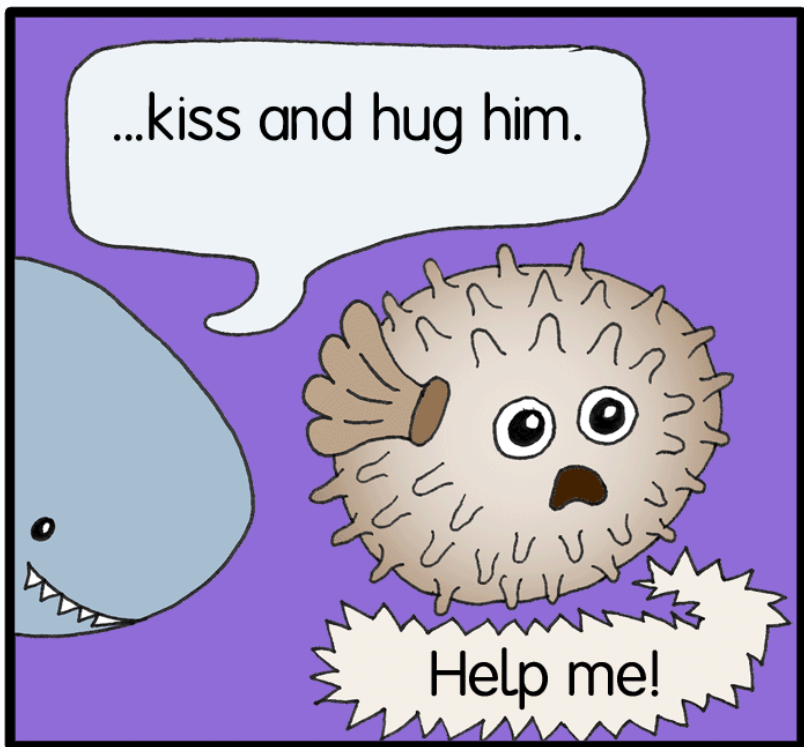

I have lots of buddies to  
play with. They like hiding  
from me...

...but I  
can  
find them.

Help, let's swim  
out of this comic.
