

4th October 2017

Thank you very much to all who were able to attend the welcome meetings and for the positive comments I received from several parents about the meetings. Thank you to parents for the feedback regarding various aspects mentioned in the Newsletter as your support is much appreciated.

Sarah Hawkins (Chair of our Governors) and I met with the Road Safety Managers from the Local Authority after their traffic survey. They are going to conduct another survey in the very near future. Thank you for parents, and especially Mrs Stone, for continuing to raise the school crossing situation with the Local Authority. The Local Authority will continue to work with the children in school delivering their road safety programme throughout the year.

The school menu will be circulated by ParentMail tomorrow. If you have any questions about it, please come and speak to our cook, Mrs Battista, or myself.

This week Mary from the The People's Kitchen joined our collective worship in preparation for our Harvest Festival. She explained the food items they need and I am sure your children will remember but just in case, their Wish List will be sent to you by ParentMail. We warmly invite you to join our Harvest Festival on Friday at 2pm. Thank you.

Mrs Denise Henry
