\$\$\$\$\$\$\$\$\$\$\$\$\$\$

We hope that you remain well and are managing to stay positive at home and/or work. We have been delighted to see some new followers on Twitter so we can keep in touch with you all. If you do not already follow us, please consider doing so. I'm sure those parents who engage with our Twitter feed will recommend it as a way of staying in touch with the school and maintaining a sense of belonging to our school family.

I realise that I only wrote to you last week, but in order to keep you all fully informed, I wanted to write again this week as there seem to be lots of updates to share...

THANK YOU!

Thank you to the mystery family who brought biscuits when returning their school books - what a lovely surprise! Thank you also, for all the thankful and positive emails and messages that we have received this week. Staff are working really hard so these are very much appreciated.

Thank you also for the donations of books that many of you have given to school in recent weeks. We will add them to Accelerated Reader boxes (after they've been appropriately quarantined!)

The Church of England have issued the following message to parents https://www.youtube.com/watch?v=FTnyICpSVMA and this one to church leaders https://www.youtube.com/watch?v=Q-y2OtEfGzw

The "Thank you" issued to school leaders brought a tear to my eye!

VE DAY

You will be aware that today is a Bank Holiday to mark VE Day. It would be lovely to see some photos of how you have celebrated or commemorated this at home; perhaps a picnic in the garden, bunting or a street sing-a-long (from a safe distance of course!). Please share your pictures with us on Twitter @RuncieOf Thank you!

Our school is one of the only schools open to children of key workers today so I would like to send a huge thank you to staff for making this happen. We are really proud to serve our community and those who need us at this time.

HOLIDAY PROVISION

School will remain open during May half term for children of key workers and other families who need support, as we did at Easter. We are again really proud that, compared to only 60% of schools nationally, we have been open **every day** of each school holiday.

NEXT WEEK

Next week, our theme in school will be International Nurse Day and Christian Aid Week. We would love those of you at home to get involved too. Staff will be in touch on Monday, as usual, with suggestions of activities.

ONLINE & HOME LEARNING

As you know, using live lessons has been discussed at school, Trust and LA level. There are no schools in our Trust using live lessons or apps such as Zoom and the great majority of primary schools in the city have made the same decision.

We are currently providing an online curriculum, via class pages, which teachers have chosen for their children to best meet their needs. If you need packs to be printed at school, please remember that we can do this for you and post resources home. Please email

Mrs Pygall at <u>admin@archbishop.newcastle.sch.uk</u> to request this. Many parents have already taken us up on this offer.

The Maths and English curriculum are with providers we use in school (White Rose and Talk for Writing) and topic areas are tailored by our staff. Teachers also write to children each Monday with a weekly class challenge. In addition, Oak National Academy and BBC Bitesize also provide daily online lessons for pupils

by year group. Through Twitter, we will signpost parents to other websites which you might like to try. There are additional websites and links on class pages on the school website too.

50 Fantastic Ideas to try at home!

The DfE and Local Authority fully support schools' decision to provide what they think is right for their pupils. We are always learning from best practice and share ideas daily within the Trust and receive daily updates from the LA.

Teachers are making regular contact with families by telephone to offer support and keep children motivated as well as keeping in touch with the school. We hope that most parents will be able to support some home learning but we do not expect nor want you to recreate school in your kitchens! We absolutely do not advocate asking children to sit for hours completing school work. Parents can take as much or as little as they feel is appropriate.

We have, this week, asked our parents to complete four feedback questions and we will adjust our offer in light of responses and government updates in due course. In response to feedback at the beginning of this week regarding class pages, these have been updated.

Everyone is different, has different demands on their time and their ability or patience to work through tasks with their children. You are all doing a great job and we know how difficult this time is for many of you. We also realise that each of you are in different situations. Anything that you do is a bonus but none of it is expected. We know children will return to school with gaps in their learning but Teachers will support children appropriately on their return. If you have concerns, please speak directly to class teachers or you can email staff too. If your children are happy and safe you are doing a great job!

From Monday, subject leaders will be tweeting activities that may (or may not!) be of interest to you. Please feel free to get involved as much or as little as you'd like to. We would love to see pictures in response to these tweets too! Thank you.

As you already know, we have been recommending, over the past few weeks, the Maths resources on White Rose Maths Hub's website and we know that a significant number of you have found these useful. Specifically in terms of the Home Learning web page, the company decided to make the worksheets a premium resource. The videos and information will remain accessible to all parents but the worksheets themselves will not. We have decided as a school to buy a subscription so that you can access these resources for free.

You will find the worksheets under "class news" on the website. White Rose Maths Hub are uploading these one week at a time, so next week's are not up yet. As soon as teachers get access to them, they will upload them to their class page for you to look at day by day.

As ever, can we take this opportunity to remind you that this work is optional and does not need to be completed - we have invested in it so that you as families continue to have the ability to choose if you want to do them.

SCHOOL REOPENING

We are aware that, in the media, there have been many speculations around the reopening of schools, which is not helpful to any of us. Until the press conference on Sunday, we do not have any definitive information about how or when school reopening will take place. Unfortunately, we do not have any "inside information" that we can share!

When the quidance is clear, we will of course share our plans with you. Mr Booth and I are currently considering different scenarios of how we might manage reopening the school, depending on advice from the Local Authority and the Government, and most importantly the timescales for doing so. We can't begin implementing any changes until we are told that it is safe to do so and we are clearly not at that stage yet.

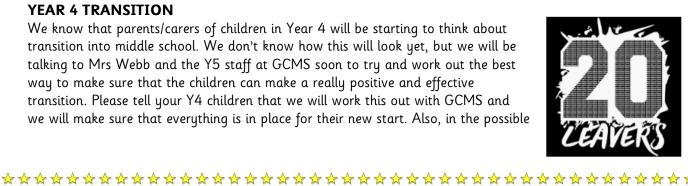

Our priority, upon reopening, will be the emotional wellbeing of our children and helping them adjust back into school life and cope with their experiences. Many will have spent the entire duration of lockdown in the same building as their parents so coping with separation will also need to be considered carefully.

You will no doubt be aware, the government are making an announcement on Sunday 10th May which will hopefully give us some further information and guidance around the next phase of lockdown measures across the country. Following Sunday, we will need time to read, understand and consider whatever is announced. I will need to liaise with GST, Diocesan and Local Authority colleagues before we can make a decision. This will take time! We will be in touch regarding any decisions, as soon as we can!! Please know that we are doing all that we can do.

We await Sunday with anticipation...

YEAR 4 TRANSITION

We know that parents/carers of children in Year 4 will be starting to think about transition into middle school. We don't know how this will look yet, but we will be talking to Mrs Webb and the Y5 staff at GCMS soon to try and work out the best way to make sure that the children can make a really positive and effective transition. Please tell your Y4 children that we will work this out with GCMS and we will make sure that everything is in place for their new start. Also, in the possible

event of Y4 children not returning to ARFS, as far as we are able to, we will make sure that there is an opportunity for them to celebrate their time at First School and say goodbye to the staff and the rest of the school.

RECEPTION ADMISSIONS

This week, Miss Wilkinson has sent our welcome packs to families who have accepted their offered places for Reception. We do not, at this stage, know what transition arrangements will look like but will, of course, endeavour to make this as smooth as possible and allow our new children to visit school when we are advised it is safe to do so. We are excited to welcome some new and some familiar faces to our school family.

☆ ☆ As per last week's newsletter, we would be grateful if you could return your school reading books to the large container by the school carpark gate as soon as possible, please. These will be stored for a few weeks to minimise infection spread then labelled ready for children returning

\$

to school. If you have been clearing out books at home and would like to donate books, we would be really grateful. Thank you!

If you have run out of books to read at home you can try Oxford Owl to support reading. Oxford Owl is brilliant for free e-books just like the books we use in school as well as having loads resources and ideas for other curriculum areas too. https://home.oxfordowl.co.uk/

WORSHIP

Oak Academy are delivering acts of worship online. It hopes to offer people of all ages and faith backgrounds a chance to pause, think and reflect, and to rebuild lost habits of prayer and faithful reflection in the home. Please let us know what you think!

LOCKDOWN SONG

https://worshipforeveryone.com/looking-to-the-rainbow

"Looking to the Rainbow" is a brand-new song from Nick & Becky Drake for schools to perform during the Covid-19 lockdown. Children may like to start learning the words. You can send video clips of them singing to Mrs Francis (Music leader) via email kathleen.francis@archbishop.newcastle.sch.uk

PARENT QUESTIONNAIRE

As you already know, on Monday this week we asked parents and carers to complete a short questionnaire to help us shape our future provision during the partial closure. We are delighted that so many of you feel supported by the school, both emotionally and for academic work and that you acknowledge our best efforts in communication. Thank you for being so supportive of us at this time. As you can imagine, it is no mean feat pleasing everyone but we will endeavour to do as much as we can! The questionnaire is not yet closed so if you have not yet completed it there is still time to do so!

Results of the questionnaire were as follows

	Agree	Disagree	Neither agree nor disagree
I feel personally well supported by the school	92%	0%	8%
I feel supported by the school to appropriate home learning resources	91%	1%	8%
Communication from the school has been good throughout the COVID-19	95%	1%	4%
situation			
I feel that the school is doing enough for me and my family.	92%	1%	7%

In light of this feedback, staff have updated staff pages to make them easier to navigate. As you will understand, class pages were not originally set up to provide home learning but we are making them as fit for purpose as possible. Please keep checking for updates too as staff will be adding to class pages regularly.

We will await the PM Briefing on Sunday before deciding on our further steps.

#### **OPERATION ENCOMPASS**

You may be aware that cases of domestic abuse have risen significantly in recent weeks. Domestic Abuse cuts across all levels of society, across all ages, cultures and races. Children exposed to domestic abuse are victims of child abuse. Operation Encompass was created to support children experiencing Domestic Abuse through timely information sharing between police and schools.
