

Suggested Activities to support learning at home

- Read your child's favourite stories, then make some puppet characters to act out the story.
- Play a game; snap, pairs, snakes and ladders.
- Go for a walk to observe the signs of spring.
- Bake a cake or cook a meal together.
- Paint a picture
- Sing some nursery rhymes or counting songs (counting songs and backing tracks are in the maths section of the home learning pack).
- Cut and paste a picture. Use catalogues, old birthday cards and magazines.
- Dress up as your favourite character.
- Try some indoor camping or build a fort!
- Make some homemade musical instruments
- Make some playdough (recipe in the home learning pack)
- Complete some jigsaws
